Taught by Linda Pohlenz

### **Fabric and Supplies**

Pattern: #807 What Was I Thinking?

$\frac{1}{4}$  yard of 7 fabrics

**Half of your black and white fabrics** cut into strips.

**8 - 9" x 9" cotton batting squares** such as Warm and Natural because an iron will be used in this process. (not polyester)

Cut half of your fabrics into strips as directed in the pattern. If you have more time, you can cut more fabric. Bring all of your fabric even if you have not had time to cut it.

You may want to wait to choose the fabric for the binding and two hinge fabrics.

### **Thread**

Choose a thread you want to see because the straight stitching will show on the back. Or choose a thread that will blend with the fabric pattern if you don't want to see the thread.
