Jennifer Chiaverini is the author of nine Elm Creek Quilts novels and *An Elm Creek Quilts Sampler*, as well as *Elm Creek Quilts* and *Return to Elm Creek*, two collections of quilt projects inspired by the series, and is the designer of the Elm Creek Quilts fabric lines from Red Rooster fabrics. She lives with her husband and two sons in Madison, Wisconsin.

The Elm Creek Quilts novels are a series of books written by Jennifer Chiaverini. They are published as hardcover originals by Simon & Schuster and in paperback editions by Plume. The series currently includes eight titles:

- The Quilter's Apprentice** (1999)
- Round Robin** (2000)
- The Cross-Country Quilters** (2001)
- The Runaway Quilt** (2002)
- The Quilter's Legacy** (2003)
- The Master Quilter** (2004)
- The Sugar Camp Quilt** (2005)
- The Christmas Quilt** (2005)

In most of the books, the main character is a master quilter named Sylvia Bergstrom Compson. She and her young friend Sarah McClure open a quilters' retreat at Sylvia's family estate, Elm Creek Manor. Sarah and Sylvia run the "quilt camp" with the help of their friends, the Elm Creek Quilters. Other books are historical, featuring Sylvia's ancestors and earlier residents of the Elm Creek Valley. Having Jennifer appear at our guild has generated a lot of outside interest. Please welcome all of the guests that will be coming on Monday night. Jenni-

fer's books will be for sale at the meeting but also bring your books for signing. There is **NO WORKSHOP** this month.

Tips & Tricks

When batting has folds or creases that need to be removed, I always spray it lightly with water and throw it in the dryer for a few minutes. Sasha, from my quilt group, taught me a better method. She wets a wash cloth and throws it into the dryer with the batting. This adds just enough moisture to take out creases without leaving damp spots on the batting. Try it!

If *you* have a clever trick you would like to share with the guild, please email me at sidhe-magik@cox.net

Happy quilting!

March Board meeting:

The March board meeting is Monday, March 6th @ 7:00 PM at the home of Deanna Padilla.

Please email or call our president, Debbie Keener, if you would like to discuss a topic at the meeting.

April Board meeting:

The April board meeting is Monday, April 3rd @ 7:00 PM at the home of Linda Wilcox.

President's Message

Dear Members and Friends;

I would like to thank Janice Rudgers and Loretta Harry for volunteering to co-chair the July 4th Quilt Show. This is one of our most successful community outreach opportunities and has brought in several new members in past years. Janice and Loretta will need quilts to display and volunteers to help with set-up and tear-down and to assist during the event. Please assist them in any way you can.

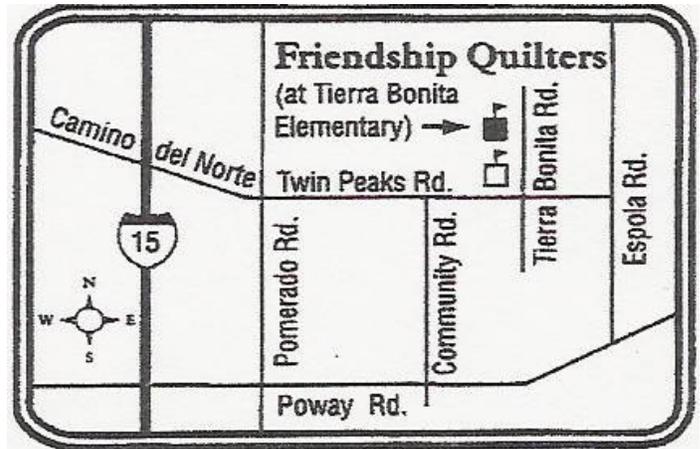

I would like to thank Shirley Vigil, Francine Nadey, Candice Dalton and Trudy Cleveland for volunteering to select the slate of candidates for the 2006-2007 guild year. As you can imagine, this is a very important undertaking and I would appreciate the support and cooperation of every member of the guild.

There are more than twenty board positions to fill each year. It is a challenge to fill them all and there are several that *must* be filled for the guild to continue to operate. When these women approach you to ask for your help, please keep an open mind as you review the open positions. They will be able to share job descriptions with you. And any of this year's board members will be happy to share their experiences as well.

Those of us who have served on the board for several consecutive years may be quite comfortable in our roles. However, new members energize and revitalize the board, which, in turn, revitalizes the guild. We welcome and encourage the addition of new members to the board to shake things up a bit. Bring your enthusiasm and new ideas and help us to improve the guild experience for everyone.

New members, have you subscribed to our guild email list? The email list provides an effective and inexpensive way to communicate relevant information to guild members. You may go to our website at <http://www.friendship.quilt.to> and subscribe near the bottom of the page.

Thank You,
Debbie Keener

Ways & Means

This month we will have a "Notions Night". Here's a chance to buy zippers, patterns, etc. at great prices-- (There will be fabric as well).

We had fun with our Silent Auction. The item was a cute wooden antique sewing machine picture frame. The winner was Kathy Kudrawec---we think she and her daughter were bidding against each other. We are going to do this again, and we will continue to sell tickets for the gift certificate for those who didn't have a chance to get them last month. See us for details.

Many thanks to those members who brought donations in at the February meeting.

We still have flannel available for those who might have time to make charity receiving blankets for babies. Or you might want to select a quilt top. Some need backs and batting. Would you like to make one for a future auction? There is no charge for these items--Simply sign up for them at the store, but PLEASE keep the ID number with it. When it's completed and returned to us your name will be checked off the list.

Thank You.

Our store took in \$155.85 at the last meeting.

Happy St. Patrick's Day!!!!!!!

Who? YOU

What? Bring your sewing machine, sewing notions, fabric, batting or thread to donate, AND SOMETHING TO SHARE FOR LUNCH!

Where? San Rafael Catholic Church, 17252 Bernardo Center Drive, San Diego (Rancho Bernardo)

When? Friday, 17 March, 9 a.m.-4 p.m. Come for all or part of the day. You are welcome to participate as much or as little as you can.

Why? Because you will spend the day with wonderful people doing something meaningful for the benefit of people going through some tough times. Mark your calendar. Plan on attending if you possibly can (I will be taking a day of leave to attend. I KNOW it will be worth it!)

If you can't attend the quilt-a-thon but want to participate in some way, consider donating thread, batting or fabric for quilt backs, pre-cutting and preparing binding for us, making quilt tops/blocks in advance. If you have questions, PLEASE CALL ME! (858)486-2946.

Thank you to our placemat makers because we have another nice sized stack of placemats for our Meals on Wheels program. Keep up the good work ladies! blessings,

Karla Seyb-Stockton

Tips & Tricks

Here's a great tip from Susan Axelrod that will save you time and frustration.

Susan says, "Let's face it, we all need to "unsew" now and then. A sharp seam ripper makes the job easier. On one side of the seam you need to rip out, cut every third stitch. Then pull the thread on the other side of the seam allowance. This will pull out the entire seam out very easily. Also, when it's time for a new seam ripper, think about purchasing one with a flat handle. The flat handle keeps it from rolling off the sewing table onto the floor".

Gosh, I've been sewing forever and didn't know those little tricks! If you have a clever trick you would like to share with the guild, please email me at sidhemagik@cox.net

Membership

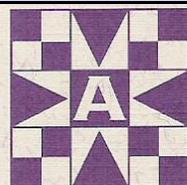

Just a few reminders about the membership renewals coming up for May and June.

The newsletter is going online as the default next year. When you complete your membership form, you will be asked if you want to receive a paper newsletter. If you do not check the box, you will not get a newsletter in the mail. Please, if you can take the newsletter as the online option, please do so.

And, if you are a Living Treasure, you need to fill out a new membership form each year. There was some confusion this year about that point and I want to avoid any problems next year.

Thank you for all of your patience this year.

Block of the Month News

(Accidentally omitted from the February Newsletter)

I decided we'd all too busy around the holidays to sew a block of the month, so we didn't have a new set of blocks at the December meeting. However, we did have a drawing for the red and green blocks cut by Alice and Buck Polk. Evie Arend gave me her block beforehand since she couldn't attend the meeting, and her name was drawn as the winner! That's a great testimony for planning ahead. Even if you can't be there, if you get your finished block to the meeting, you can still win the blocks.

I couldn't be at the January meeting, but Mary Tabar generously stepped in at the last minute to help out that night. Thanks, Mary! The new set of blocks was cut by Jean Nagy and Terry Seaburg. They chose a pattern from Nancy Martin's "365 Quilt Blocks A Year" daily calendar called "Year's Favorite". Jean and Terry renamed it the "Crystal Clear" block, and they thought it was perfect to start out the new year. The winner of these blocks at last month's meeting was Corky Kuhlman.

Marcia McNelly collected a variety of pink and green fabrics to use in her blocks for February. Appropriately, the pattern is called "Flush of Spring", a Judy Turner design from the book "Successful Scrap Quilts from Simple Rectangles". Be sure to stop by the Block of the Month table at our next meeting to see what Donna Watt and Diane Barilotti have put together for us. Remember, it's only \$2 a kit to have a chance to win all the finished blocks.

Great Information

Safety pins for basting are a real time saver and a much faster basting method than thread basting. Sometimes when pins are left in a quilt a long time, and they are taken out they leave a little dark spot or rust spot where they were pinned. To prevent this happening, be sure to use good quality pins. There is always more than one quality for any product.

Some people have body chemistry that causes them to be allergic to some of the metals or to cause discoloration on their skin from the different types of metal used in jewelry. This is what may be happening to make the dark spots on your quilt. In handling the pins, there is some sort of chemical reaction that causes the black spots to rub off the pin and onto the quilt.

Safety pins are constructed from wire made of either hardened brass or high carbon steel. Then they are coated with nickel or gilt. The steel wire is plated in order to strengthen it against rust and corrosion. Brass wire will not rust. The primary reason for plating brass safety pins is for their appearance only. Nickel plating gives a silver appearance and gilt plating gives it a gold appearance. You will not be able to determine whether a pin is made from brass or steel by its appearance. Brass pins may be plated in nickel for a silvery look and steel pins may be plated in gilt and have a gold appearance.

The best way to know you have quality safety pins is to purchase your pins at a reputable fabric or quilt store. Quilter's safety pins are now available with different color coatings especially for quilters. You may have to experiment with different brands to find one that does not cause the black residue to be left on the quilt. When you find a brand that you can use, keep them in a separate container. Use them only for basting quilts.

This problem does not happen just with safety pins. As a matter of fact, if you secure your quilt top with oxidized pins before stitching it, you will have dark spots all over your quilt.

In case your pins (any pins, not just safety pins) have oxidized, you can clean them with what some call "a pepper" while others call "a strawberry".

It's a small bag of emery (fine sand) that scrapes the rust off the pins. You can get it at any quilting store that carries pins.

Till next time!
