- *Board Meeting: Mon. 5/4/09, 6:30 PM, home of Cheryl Wilson*
- *Workshop: Sun. 5/10/09, 10AM-4PM, Amidon Quiltworks, Katie Pasquini Masopust, "Abstract and Non Representational Quilt Design" (Day 1 of 2)*
- *Guild Meeting: Mon. 5/11/09, 7 PM, Katie Pasquini Masopust, "Painting with Cloth", Tierra Bonita Elementary School*
- *Workshop: Tues. 5/12/09, Amidon Quiltworks, Katie Pasquini Masopust, "Abstract and Non Representational Quilt Design" (Day 2 of 2)*

Katie Pasquini Masopust, known for her mandalas, dimensional quilts, and fractured landscapes, has won many awards. Her quilt Rio Hondo was named one of the Twentieth Century's 100 Best Quilts in 1999. She lives in Santa Fe, NM. Katie has traveled the United States, Canada, New Zealand, Australia, Japan, Belgium, Switzerland, Norway, Denmark and England teaching contemporary quilt designing. She has changed her style over the years, starting with traditional works, next creating Mandalas followed by dimensional quilts. She has had several quilts featured in Quilters Newsletter, January and February 1981, to announce her first one woman show in Eureka, California. That began her on the road teaching. Featured in QN meeting place in 1982 and the 15th anniversary issue, her quilts have dotted the pages many times over the years. She then moved on to landscapes, fracturing them and adding transparencies and color washes. Katie teaches in a relaxed but energizing style, passing on her extensive knowledge of design and the art quilt to her students. Katie takes a unique approach to

quilting and achieves beautiful and innovative creations. Beginning with photographs of landscapes from which she derives her quilt designs, she breaks up the surfaces with a network of lines, angles, and curves to create richly textured, intricately patterned quilts. With a multitude of how-to photos and extensive explanation, she takes you clearly through all the intricacies of making these striking quilts. The ability to draw is not required; however, prior knowledge of quilting basics is necessary. Quilters who are seeking to try an approach vastly different from traditional blocks and who enjoy experimentation should be greatly intrigued by her workshops and books. Another of Katie's innovative techniques, which she calls ghost layers, is only "three steps" to a "spectacular quilt." This is a technique that will change a straightforward pictorial quilt, based on a photograph, into an art quilt which looks far more complex than it is. It'll take you into a new dimension! Each class is fun as well as educational. She has had several quilts featured in Quilters Newsletter, Jan. and Feb. 1981, to announce her first one woman show in

## President's Message

It was great to see everyone at the April meeting. I enjoyed hearing Julia's lecture and seeing the antique quilts she shared from her collection. Each quilt had an interesting story and makes me want to study more about quilts and their history.

At our May meeting we will be conducting a little business. We will vote on the Proposed Budget and the Slate of Officers/Committee Leads. The proposed budget and a slate of officers are included in this month's newsletter for your review.

What would you do if you weren't a quilter? I've been thinking about this lately as we've

been involved in some landscaping projects and have started a vegetable garden. So, maybe I would get into gardening if I couldn't sew? I just love flowers and can spend lots of time reading through my Western Gardener book – similar to the time I love to spend on quilting. One of my quilting buddies loves gardening, too, and we've been having some "garden chats" which has been lots of fun. So far, I'm not ready to trade quilting for gardening though. Maybe there's a little time for both. What do you think?

## President's Challenge

Completed quilts are due by June 1. You may turn them in at the May guild meeting or by June 1. Please contact Susan Axelrod at [sewsalot@aol.com](mailto:sewsalot@aol.com) to confirm if you will have a quilt in the viewer's choice contest.

## Philanthropy

The **Philanthropy Challenge Quilt Show of the Century** will be held at the May 11th meeting. ....so be sure to come and vote for your favorite quilt. The challenge was to use up squares left over from the quilts made for the members of our guild who lost their homes in 2007. This was a real challenge and the quilts that have arrived so far are spectacular. It will be hard to pick the best. These quilts will be donation to the guild's charities. NOTE: Those members who are still working on the "Philanthropy Challenge of the Century" ...please continue and bring them to Lee or Jean before May 11 OR bring the quilt the night of May 11th. Remember there are SWELL PRIZES for you and smiles for those who receive your thoughtful gift. May 2009 ends the guild year, so be sure to turn in all quilts (finished or in progress), kits, etc. We need to get everything ready for Hope Campbell who takes over Philanthropy in June 2009. Donations received in April: 10 placemats, 3 completed quilts, 1 wheel chair bag, 2 quilt tops, and fabric. Donated Items - March/April: 6 Do-rags and 1 quilt were given to Rady's Children's Hospital; 1 quilt to Pregnancy Crisis Center.

## Refreshments

Thank you to everyone who brought goodies to share at the April meeting. I will be out of town for the May meeting but Jennifer Ross has been nice enough to step in for me. In order to make it a little easier on her, we will not be having hot beverages at the meeting. There was a lot of bottled water left over from the auction so I will be sending some of that along. I'm going to miss all the goodies but I'll see you in June for our fabulous potluck.

Lou Pennock

## Retreats

I'll be out of town for the May meeting but Mary Casner will be sitting in for me. She will take sign ups and deposits for the Sept. 25-27th retreat. Total cost is \$200.00 for a shared room and \$270.00 for a private room. A \$25.00 dollar deposit is required. For all of you attending the May retreat, I'll see you there.

Lou Pennock

## Opportunity of the Month

\$31 was raised for the guild with three chances: Kathi Doleshal won the "Flannel Fun" book and "Bear Tales" pattern, Beverly Fraser won the Portable Sewing Organizer, and Leemary Heath the floor frame (I hope all the parts are included). Congratulations and thanks, ladies!

## Library News

Thanks to everyone who participated in our Library Auction! We generated \$81.00 toward the purchase of brand new books for our library. Next month we will be listing the new titles here so you will be able to reserve any that interest you. We are attempting to eliminate older books from the library that have not been checked out in the past four years. We will be doing another auction at our May guild meeting so be sure to browse the auction table for a genuine bargain!

We are continuing our BIRTHDAY BOOKS program and would like to thank the following members for their recent contributions:

## Think 4th of July

Now that the auction is over, why not put a quilt in the Friendship Quilters 4th of July Quilt Show?

This is a fun and local show at Old Poway Park, our quilts will be hanging in Templers Hall. Our community members in Poway love to come and see all the beautiful work that we produce.

There will be four blue ribbons, Best of Show, Best Patriot, Most Humorous, and Best Tradition. Last year we had four prizes from local sewing and quilting shops.

If you are interested in vending or showing a quilting technique, we

need you!

Quilts need to be clean and not shown before at this show. Any quilts over 35" wide should have a hanging sleeve.

Fill out the form on the opposite page and give it to Mary Tabar or Peggy Martin. You can bring your quilt to the May, or June meeting. You can also bring your quilt the day before (July 3), but please let us know before that time, so signage can be printed.

Contact Mary Tabar (858-592-8828) or Peggy Martin (858-482-1412).

## Tips and Tricks

Have you ever wanted to save an online quilt pattern as a Word or PDF file?

You can use Internet Explorer to save a web page as a Word document. I'm running IE 7, and with it, I can select Edit with Microsoft Word for Windows from the File drop down menu and the page opens in Word. I can save it from there.

PDF995 - Download and install the free software from [www.pdf995.com](http://www.pdf995.com) and you will be able to choose PDF995 in your print screen to convert anything you can print into a PDF file. I use this software to create the PDF version of the FQG newsletter.

## Getting to Know You

(submitted by Deanna Padilla)

Loretta Harry learned to sew in her High School Home Ec. class, which taught her that she had no interest, whatsoever, in becoming a seamstress. It was not until years later, when she feasted her eyes on a beautifully crafted opportunity quilt displayed at her work place, that she was inspired to dust off her twenty year old Singer and find a use for her sewing skills.

A project planner for engineering, Loretta has worked for twenty-eight years at BAE Systems, formerly General Dynamics. About eight years ago, she, along with some co-employees who were quilt enthusiasts, started a quilt group. The nine members still meet on a regular basis to share their love of quilting.

Loretta loves bright colored fabrics and has a particular interest in art quilts. She enjoys appliqué, but says she doesn't have a lot of patience for handwork. "I'm glad I didn't live in the 1800's," she remarks. "I couldn't do all that hand quilting. I like to piece the

top and send it off to get quilted."

When it comes to animals, though, Loretta has a lot of patience. She is a proud Animal Rights Activist, and for many years, she spent her Saturdays rescuing strays and finding them good homes. While Loretta was relating this information to me, her husband John piped up in the background, "Yep, she took this dirty dog in and gave him a home."

"True," Loretta confirmed with a throaty laugh, "And after twenty-eight years, I still haven't managed to get him trained."

Their banter reminded Loretta that after him barking at her for eight years to make him a masculine quilt he can call his own, she recently completed a quilt for John that depicts his love of golfing and plaids. "Now," she added, "he wants one with Corvettes."

So, I'm thinking, if any of you happen to have some stray Corvette fabric lying around (who knows, anything is possible), and you just don't know what to do with it (I wouldn't), I'm sure Loretta will find it a good home in a fabulous, artistic quilt.

**Friendship Quilters Guild of San Diego** is a non profit corporation organized to educate the community and to promote interest in all forms of quilting. General Guild meetings are held the second Monday of the month. Please check each month's newsletter for up-to-date location information.

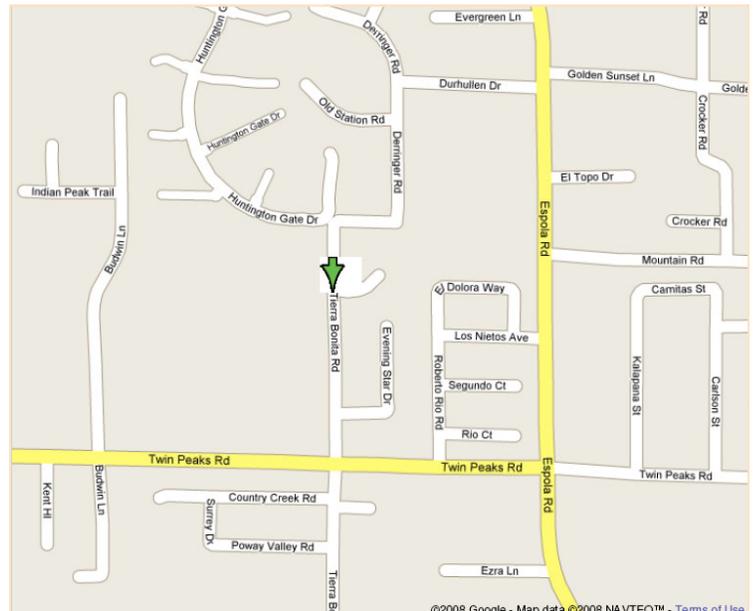

Annual membership is \$25 from June 1 through May 31 of the following year. At the January meeting, membership dues are reduced to \$15 for the remainder of our fiscal year. Members who are unable to attend the meetings or enjoy the benefits of regular membership may pay \$10 per year for a "Newsletter-only" membership and pay the guest fee of \$5 per meeting on the occasions when they are able to attend a meeting.

More information is available on our website at [www.friendshipquilterssd.org](http://www.friendshipquilterssd.org).

**The Patchwork Post** is published monthly for members and neighboring guilds. Comments and articles are always welcome and may be mailed to the Newsletter Editor, Friendship Quilters, PO Box 1174, Poway, CA 92074 or sent to [keener80@cox.net](mailto:keener80@cox.net). Deadline for submissions is the Friday following the general meeting.
