## President's Message

Dear Quilters,

Here we are at Spring's doorstep. I could say that things are "warming "up but here in sunny SoCal we went right to HOT. We know it will cool down again but maybe now is the time to concentrate on the small items on your to do list. We understand that flannel quilts and the large bed quilts may not be appealing right now. For an example today I played. Finally made one of those beautiful chicken pincushions that Lou Pennock is so famous for. What fun.

If chickens are not your thing, how about flowers. My yard is full of bushes with tiny pink flowers and they smell so good. The inspiration here was the color pink. Let's not forget Easter and all the decorating possibilities. Table runners, baskets, placemats, napkins...I could go on and on.

As we burst into spring and April there are so many new things happening at Friendship. In April, we are having a Silent Auction and two of our very talented members, Mary Tabar and Tracy Potter will give short talks. One word about the Silent Auction, remember to bring a full coin purse. There are some fine items and the bidding may get fierce.

Time is running short on the UFO Challenge for this year, and also the President's Challenge. There is still time to enter and the proceeds will go to a local charity.

Looking forward to seeing everyone in April,

Happy Quilting, Suzy

## Library News

The library sale table (better known as "Shop In The Dark") had the best sale so far in our 2014/15 guild year. We earned \$105.00 to spend on new books!!! MANY thanks to everyone for donating and/or buying books to support our guild library. If you have any ideas or suggestions concerning which books we should add to the library - please call or e-mail Yvonne or Holly.

We will be having our last sale of the year at the April meeting - a giant \$1.00 clearance sale!! Look for our table outside in the usual place - the only difference is it will be "Shop In The Light!" (Thank you, Daylight Savings!)

We are adding the following new donations to our library:

MACHINE QUILTING SOLUTIONS Maraccini, Christine

QUILT THE SEASONS Baker, Barbara

QUILTER'S EDGE Zimmerman, Darlene

THE EXQUISITE TABLE Henning, Brenda

If you would like to reserve one of these books - or any other book - just let Yvonne or Holly know.

You can reserve or check out as many books as you want.....(we'll provide a carrying bag for 20+)

You can reserve all the books by a particular author.....

You can reserve all the books about a specific technique or genre.....

You can reserve all the books dealing with a certain pattern or style of quilting.....

Inspiration is available in the library!! Our guild has a fantastic collection... EYE CANDY!

There are over 700 books in our library - you can browse all of the titles by clicking the library tab on our website. If you have any questions - please call!

Holly & Yvonne

## Un-Finished Object Challenge

Nanu, Nanu

As I write you we have 83 days to get our four quilt projects done for the UFO challenge. Where did the time go? Maybe you didn't want to work on the projects you picked. I know why my projects are UFO's. I really don't want to finish them. But the time has come to finish. I need to get my finishing mojo back and whip these puppies out. I hope that you haven't given up.

Eighty-three days is a good chunk of time. We can do it!!!! See you at the next meeting.

Happy Stitching,

Emily Gail Wyett

## Philanthropy

At the March meeting we received eight more beautiful quilts for Project Linus. We would like to have at least 10 more quilts by May to donate to the summer camp they sponsor for children who have suffered losses of loved ones during the past year. We also received nine placemats for Meals-On-Wheels. Thanks to all who have helped.

We will continue to have our Cutting Up parties the Thursday after Guild meetings through April and May. In fact, we met March 12, and were able to make eight new quilt kits with batting and directions for construction. We also have about four quilt tops to be sewn together. Please stop by our table at the next meeting and see what is going on with Philanthropy.

Charleen and Ruth

## April Fools!

Researchers for the Massachusetts Turnpike Authority found over 200 dead crows near greater Boston recently and there was concern that they may have died from Avian Flu.

A bird pathologist examined the remains of all the crows and, to everyone's relief, confirmed the problem was definitely NOT Avian Flu. The cause of death appeared to be vehicular impacts.

However, during the detailed analysis it was noted that varying colors of paints appeared on the bird's beaks and claws.

By analyzing these paint residues it was determined that 98% of the crows had been killed by impact with trucks while only 2% were killed by an impact with a car.

MTA then hired an Ornithological behaviorist to determine if there was a cause for the disproportionate percentages of truck kills versus car kills.

He very quickly concluded the cause: When crows eat road kill they always have a lookout crow in a nearby tree to warn of impending danger.

They discovered that while all the lookout crows could shout "Cah", not a single one could shout "Truck."

## Programs

Well-we are pretty excited about the auction and Art Quilt trunk shows at our April meeting. Tracy Potter and Mary Tabar are accomplished quilters in the Art Quilting world and they have agreed to give us a little peak into their heads-so, prepare to be amazed. In addition Mary Casner has organized a dool producing silent auction that includes lots of finished and unfinished possibilities, bring cash or checks and lots of both. Also, we have three spots left in our May class with Lenore Crawford-you have seen her works of art featured on magazines and at major quilt shows. She does representational applique from photos taken during her many journeys and they are beautiful.

Lastly-Marcia and I are co-chairs for this year, Collette McManus is chair for next year. Your guild needs a special someone to find speakers for 2016-17-and that should be done Oct 2015. It is really a great job to work with the amazing talent that comes to us and you may take the workshop free of charge to repay you for your labor-how cool is that! You will have lots of help and guidance-promise! Please see Elaine or Collette if that special person is YOU! You would start in the fall and then would take over as Programs chair the following September.

Your Program chairs,

Marcia, Shelly and Elaine
