## President's Message

Once again, I am traveling. My husband and I are spending a wonderful 3 weeks with our grandson, Nicholas and of course my daughter and son-in-law, just outside of Indianapolis. They have just purchased their 1st home and we are helping pack boxes and moving them into the house. Luckily it is only ¼ mile away so we can make short trips and go over to the house often.

We got to see the 1st snow of the season, just a little covering on the cars, so you know it has been cold and wet but lots of sunny breaks and beautiful fall leaves.

My daughter and her boss took me to two quilt stores for a little shopping and to my surprise there is a local quilt show this weekend. WOW! Just in time to take a break from the packing and moving.

Now onto guild business, I am extremely happy to have so many involved in the "UFO Challenge," what a wonderful response from the guild. It is comforting to know that I am not alone in my obsession with wanting to try all the new stuff out there but never quite finishing anything. I have so many UFO's it was hard to pick. We may have to do this again next year so I can get more projects completed. Thank You Suzy for the incentive.

We are off to a busy season with lots going on. Don't forget our November Philanthropy Sew-In on Monday Nov. 11. I would like to encourage all of you to come out for this. It is a good way to meet new people and help out. I am planning on attending so I would love to see you there. Look inside for more information.

Please take a moment and pick one or more workshops to sign up for. We have wonderful speakers and we don't want you to miss any of the fun. These are always full of surprises and great helpful hints. After last month's scavenger hunt class I can hardly wait to see the art work that we each developed.

## Membership

As a reminder, be sure to renew if you haven't yet because we want to meet our goal of 200 members -- so far we have 167.

We had 5 new members at the October meeting and 13 guests. Sometimes guests want to join, so we're always so happy when you bring friends.

Also, if you are having any trouble receiving guild e-mails, please let me know.

See you at the meeting -- remember to wear your nametag.

## Library News

We want to convince each and every member to

**PLEASE LOOK AT THE NEW WEBSITE** and check out the **LIBRARY!!!!** We have one of the largest and finest collections of quilt books in Southern California.

Dawnelle Muecke has created an easy to use and wonderful website for us!! The Library Tab now links you directly into Goodreads where you will be able to see all 694 books in our library! You can look through the books in alphabetical order by Title or by Author - just click next to the word you want. You can see the 20 newest books we have purchased by clicking on the New Titles Shelf!

You can now reserve books 4 ways:

\*Use the new e-mail link provided on the website

\*Call Yvonne Gagne or Holly Torrez directly

\*E-mail Yvonne or Holly directly

\*Talk to us at the Library Table

We bring about 150 books to every meeting including the newest purchases/donations.

There is no limit to the number of books you can check out. We have archived over 200 classic older books featuring famous authors or specific genre of quilting. We are happiest when **MORE** books are in circulation!!!

In November we will be having our very popular "Shop In The Dark" \$2.00 Book Sale. Please check out the bargains to be had. The cost of a single individual pattern is now more than \$8.00 - so a \$2.00 book with just one useful pattern is a genuine deal!!

Please consider donating any quilting books to us when you are doing your "fall" housecleaning.

## Programs

Kim Diehl is our speaker for November. We will be sharing Kim with 2 other guilds – this should tell you just a little about Kim’s popularity. I hope you plan on attending the November 11th meeting – you won’t be sorry.

### A Little Bit About Kim

With just the third quilt she’d ever made, self-taught quiltermaker Kim Diehl entered and won American Patchwork & Quilting magazine’s “Pieces of the Past” quilt challenge in 1998. This win took her life down a new and unexpected path, and with her fourth quilt, Kim began publishing her original designs. In the years since her challenge win, Kim has seen her work published in numerous national and international magazines.

With her new-found hobby quickly blossoming into a career, Kim realized that she needed to complete her quilts more quickly to meet her ever increasing deadlines. Although she loved using traditional needle-turn methods to hand stitch her applique designs, Kim began experimenting with invisible machine applique. She soon developed a technique that enabled her to machine-stitch her appliques in a fraction of the time, and she was delighted to find that they had the appearance of being hand sewn -- Kim has seldom needle-turned a seam since!

## Up Next

December 9, 2013 is our Holiday potluck. The Refreshments Chair will send out a list of “who brings what” in the next newsletter.

January 13, 2014 will be a **Philanthropy activity**. Charlene Renne will have more information on this at the meeting as well as in the newsletter. Be prepared to roll-up your sleeves to assist in sewing, cutting, ironing, folding, whatever needs to be done to get projects completed.

February 10, 2014’s speaker is our own **Susan Axelrod**. Susan will have a Trunk Show of all the beautiful quilts she has made. Susan is having our workshop on February 9, 2014 the DAY BEFORE the meeting. Please go to Friendship’s website (<http://friendshipquilterssd.org/>) to see the beautiful Hummingbird and Flower applique wall quilt we will be making. This is a “Susan original” and it is absolutely gorgeous. The Supply List can be found under Workshops.

Information for the March, April, May, and June guild activity can be found on our website (<http://friendshipquilterssd.org/>). The website contains up-to-date information available for your viewing.

## WANTED: Special Skills

Are you looking for a way to serve the guild? I am searching for someone to take over the Membership Chair at the end of this term (6/1/2014). Are you comfortable working with a computer? Can you use Microsoft Access 2010? Do you have this software on your computer already? I would be happy to train you, if you are willing.

The software holds the guild's membership data and generates reports. For this position, it's good to work in a team of 2, just in case you can't make it to every meeting plus, sometimes the sign-in table is busy and two people are better than one. So talk to your friend(s). It's one of the BEST board positions. You get to greet everyone who comes in the door and you will make lots of new friends.

Just contact me at [sewsalot@aol.com](mailto:sewsalot@aol.com) or call me at 760-787-1649 if you want to be my replacement or if you have questions.

Susan Axelrod, Membership Chair

## Philanthropy

Remember the annual **Sit and Sew** on November 11, at Bits and Pieces from 10:00 till 4:00. We will have salad basics and drinks, plates, forks and napkins. Bring something extra that you love on your salads and we'll share. We plan to have a great time. Friendship has so many kits already made up that Ruth and I are planning to offer placemat and stocking kits to finish. We could really use your help sewing batting together as well. Please come if only for part of the day. It's a great opportunity to visit, do some quilting AND do some good!

We received many finished items at the October meeting. There were 36 placemats, 2 wheelchair bags, and 2 beautiful quilts turned in. They will be distributed this week to Meals on Wheels, the Veterans' Hospital and St. Claire's home. There were lots of stockings and placemats checked out, too. Thank you for all you do.

Charleen Renne

## Small Groups

Are you interested in getting acquainted with some of our members better? Would you like to join a small group of ladies for sit-and-sew? We have a lot of new members, and it's challenging to meet others in the large group setting of our meetings. If you are interested in joining a small group that meets regularly for sit-and-sew and that rotates among their homes, please e-mail me. We have openings in a group that meets south of Poway, and would like to start a group that meets Poway and north.
