## President's Message

POOF! Summer is over (we are in San Diego so it is never really over) and it's back to school, and back to Guild meetings, Hurray! I can hardly wait to see everyone again.

I hope you are all ready for a fun year at Friendship, I know I am. We have lots planned for the coming year, with great speakers and workshops. Please make sure you take a look at the schedule and sign up early for the classes of your choice, there are several very popular classes and we wouldn't want you to miss out. I know I look forward to learning new techniques, helpful hints and inspirational teachers to keep my creative juices flowing.

WOW! Look at our new Website. It looks GREAT!!!! A special big shout out to Dawnell Muecke and Shelly Gragg for many hours of hard work. Fabulous job ladies----THANK YOU VERY MUCH! Job well done.

Also for those that missed it our 4th of July show was a big success! Thank you to Suzy Weinbach for being our chairperson. It was a fun show and I know the community loved it. Thank you also to all the others who volunteered their time and their quilts. It made for a lovely show.

Another new activity this year is going to be our UFO Challenge. Who doesn't have them in their closets? I know I do. This is going to be hard for me to decide which ones to complete first. But done is Good! Look for the announcement and get ready to sign up in September and start finishing those quilts. I also hear there will be great prizes, and I know we all love prizes.

I'm sure you are all dying to hear about my travels. Summer was a little slower, June I went to visit my mom in Phoenix for a week and then came home to head for Disneyland with my Grandson, Nicholas (his first trip ever). Very fun trip but boy were we tired after 4 days. Then it was July with a bus trip to Long Beach International Quilt Show for its final show. I could have stayed there for a couple of days with more vendors to visit and tons of beautiful quilts still waiting to be seen. I might have to plan for a trip to Portland next year for the show.

## Meetings

### Board Meeting

*Tuesday, Sept. 3rd, 6:30pm  
at Becky Moore's home.*

*Everyone is WELCOME!*

### Guild Meeting:

*2nd Monday of the month  
(Sept—June) 7 PM,  
Garden Road Elementary  
School*

Now I'll apologize in advance for missing the first meeting of the year but I have the opportunity to drive with my 83 year old mom on her birthday to Salt Lake City and visit my two brothers and their families, go sailing at Bear Lake, UT with my brother, visit cousins in Logan, UT and take mom to her 65th high school class reunion in Brigham City, UT. I cherish every moment I can spend with my mom and she is looking forward to this trip, so I thought you would all understand. I will be back in October for sure and look forward to seeing all of you then.

Keep Quilting and let's finish those UFO's too.

Your friend & President,

Becky

## Programs

Welcome back – we hope you had a fun and productive summer. We are very happy to be back and we are so looking forward to a wonderful year filled with awesome speakers and workshops. If you have not received your Program Guide, please stop by the Programs table to obtain one. All of the speakers' website information has been provided in the Program Guide and I strongly encourage you to get some facts about each speaker. Find out a little bit about each one – they are all very interesting and each speaker has an awesome gallery of their "works of art".

There have been some changes to the Program guidelines this year. As always a \$10.00 nonrefundable deposit will hold your spot for a workshop. However, final payment must be made 60 days prior to the workshop event. For instance, we have a Sharon Schamber workshop on January 14, 2014. Final payment must be received no later than November 14, 2013. If you have paid your \$10.00 nonrefundable deposit and are unable to attend a workshop, you will need to notify a Program committee member so the deposit can be allocated to another workshop. There will be no refunds this year. It is your choice to pay the \$10.00 nonrefundable deposit to hold a place in the workshop or you can take your chances that a spot will still be open.

Another very important change that has taken place is we must have 15 attendees scheduled for a workshop in order for the workshop to take place. When we schedule speakers they accept with the understanding that a lecture and workshop will be held. Some of the speakers we have this year are out-of-towners and they can be pricey. It is not cost effective to have an out-of-town speaker for just a lecture and, therefore, if we do not have 15 attendees scheduled for a workshop the speaker will be cancelled. We have a 90-day window to cancel speakers and this is something we DO NOT WANT TO DO but we must have your participation. Please review the Program Guide, read your newsletters and pick one or two workshops you would like to attend. We have excellent workshops lined up this year and we are certain you will learn new tips and techniques at each one. So now that we have the "official" information covered, onto the first three meetings.

**Workshop: Tuesday, October 15, 2013 – Terry Waldron**

### THE SCAVENGER HUNT ART QUILT ~

Students will receive a list of 5 things that they must FIND, not buy! That makes this quilt/pillow economical and truly one-of-a-kind. Wait 'til you see the list! Besides found objects, students will bring fabric that they LOVE, fusing material, maybe even fabric glue, but they can do some sewing, as well. Students will learn the 4 MOST IMPORTANT principles of art so they can design their own unique piece of art long after this class is over. They may even leave this class seeing new possibilities in the over-looked items all around us. It just might be the ultimate recycling art class!

A sample quilt and Supply Lists are available at the Programs table.

Location: Paradise Sewing, 10 to 4, \$30 members / \$40 nonmembers

**Lecture: Monday, September 9, 2013 – Patricia Beaver –**  
[www.quiltingbypatricia.com](http://www.quiltingbypatricia.com)

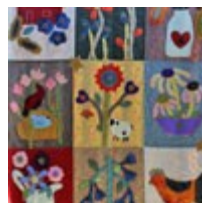

### A Funny Thing Happened To Me When I Moved To Utah

Hear the story of one quilter's odyssey! A large variety of quilts in many different sizes and techniques will be shown entwined with the stories of women and the roles these works of art have played in their lives. A nice, all around trunk show that appeals to everyone. My most popular program.

**Workshop: Sunday, September 15, 2013 – Patricia Beaver**

### Penny Rugs by the Yard

For those of you who just can't tolerate cutting out and sewing all

Sample Penny Rug quilts and Supply Lists are available at the Programs table.

Location: Paradise Sewing, 10-4, \$30 members/\$40 nonmembers.

those tiny pieces but would love to make a penny rug, this one is for you. Sample quilt is just nine big blocks, it goes together fast and is a stunner.

### YOU ARE, TOO, AN ARTIST! ~

In this combination talk and trunk show, the audience will be teased into remembering that once they were ALL artists... a long time ago when they were young! This is an IMPORTANT concept for people to understand, especially now! Because I was a long-time, successful high school art teacher, this is a subject that is very close to my heart. Remember the fun you had making art when you were in kindergarten? Where did that joy go? This talk will open the doors of the lost creativity we were all born with! It's great fun and useful information from an artist who hasn't lost her "inner child"!!!

## UFO Challenge

Now is the time to commit to work on the projects in your stash. We all know that you have more than likely gathered a few more during the summer. Join the **UFO Challenge** this year for a fun way to finish a few projects, urge on fellow quilters and enjoy getting a pat on the back for getting it done. Done means quilted with a binding, and a label. No quilt is too small or too large. We are asking you to do three projects between September through May. There is room for a 4th and extra bonus points! There will be prizes at the end of the year but the biggest prize will be a sense of accomplishment and the cheers of other quilters. There is a \$10 fee to join which will include a pin and some great prizes. The remarkable thing about the UFO Challenge is that you need not buy anything... you already have the goods! We are just cheering you on as you use them! There will be a timeline for finishing your projects during the year along with buttons to add to your pin to show your "stuff."

Thanks, Suzy Weinbach

## Philanthropy

I'm Charleen Renne, and I'll be taking over as co-chair of Philanthropy this year with Ruth O'Neil at my side. We are looking forward to a great year even as we look back to thank Hope for doing such a wonderful job these last 4 years. We have met and talked numerous times this summer and I think we are ready to begin. Hope has been very helpful to me in every way. Thanks again, Hope.

I would like to continue the first Saturday cut-up parties from 9:00 till 11:00 each month starting Sept. 7. We put together kits for volunteers to sew up for placemats, stockings, quilts of all kinds and wheel chair bags, etc. It is just a couple of hours once a month and helps a lot. I will host these "parties" at my home: 14336 Trailwind Road in Poway, kind of across the street from Poway High School. Please come and do some cutting up.

Several people have donated long lengths of fabric this summer, for which we are very grateful. We also have a large selection of vest patterns in Halloween and Christmas motifs. If you are interested in making one of these, please stop by the table before or after the meeting. Or you can call me at 858-679-0884 about these or other items.

At September's meeting, we will have seasonal placemat kits for fall and Christmas ready to be checked out and maybe a few stocking kits and some quilts. If you have anything to turn in, Ruth and I will gladly take it then as well.

Charleen Renne and Ruth O'Neil
