## HERE COMES THE JUDGE! MAY PROGRAM PRESENTED BY ANITA SHACKELFORD

Our program for May 14th's meeting will be a lecture by Anita Shackelford – "Through the Judges Eyes". She will be conducting a workshop Tuesday May 15<sup>th</sup> called Surface Textures at the CraZy 9 Patch in Ramona. This work shop is handwork and is designed for you to "discover how cording, padding and stuffed trapunto can add surface texture to your quilted designs". We still have openings!! To sign up contact - Candy Dalton: 858-486-2007 [Daltongang@gmail.com](mailto:Daltongang@gmail.com)

The following is a little background information taken from Anita's website <http://www.thimbleworks.com/index.html>: "Anita Shackelford has been a quiltmaker since 1967 and began teaching in 1980. She is an internationally recognized teacher and lecturer who loves combining applique and fine hand quilting to create new quilts in 19<sup>th</sup> century style. She also enjoys using her sewing machine for many parts of the creative process and has recently added longarm quilting to the mix."

"She is a quilt judge, certified by NQA, qualified to judge Masterpiece quilts, and has been involved in judging shows at local, regional and national levels. She is currently the program coordinator and serves on the faculty for NQA's Quilt Judging Seminar."

### Upcoming Workshops

Be sure to attend the May 14<sup>th</sup> meeting to get first crack at next years programs. See Susan Axelrod.

### A Rare Opportunity - Eleanor Burns in December

Eleanor Burns doesn't visit guilds anymore; so on December 10th, a group of us will be visiting Eleanor at her studio at Quilt In A Day in San Marcos for a day of entertainment, lunch and shopping. We will see the show that she presented at the AQS Quilt Show in Paducah this year called "Magic Vines". The cost is \$20 per person. It all starts at 9:30 am and should be ending by 3:00 pm. We need to find our own transportation (or carpool) to Quilt In A Day. Anyone interested in this field trip should sign up at the May guild meeting. You can pay in full at the meeting or reserve a space for \$5 (non-refundable deposit). Non-members and friends can also sign up but space is limited to only 50 people. See me at the 2007/2008 Workshop Sign-Ups table. If you can't attend the meeting, call me or e-mail me if you're interested.

*Members, please note that we will be voting on both the 2007-2008 budget proposal and the 2007-2008 slate of officers at the May general meeting. Both are in this newsletter. Please review them before the meeting. See you there!*

## OPPORTUNITY QUILT

Time is running out for members to purchase tickets to win our Opportunity Quilt "Calypso". The drawing will be held at the June meeting. So, now is the time for all you procrastinators to act and buy those tickets at the May meeting. That will also be the last chance to take a packet to sell to friends, co-workers and relatives and return at the June meeting.

For those who took packets in the past and haven't returned them, start looking in those nooks and crannies for that envelope. Please return them with the ticket stubs, money and unsold tickets at the May meeting. This has been the major fund raiser for the guild this year and we hope all members will support the effort. If you already have, thanks so much.

## PHILANTHROPY 2007-2008

Jean Nagy, Lee Olson chairpersons

Since the guild does not meet during the summer months, we have decided to help us all keep in touch with each other, we'll hold a series of philanthropy activities this summer. In June we'll make **placemats**; Christmas in July we'll make **Christmas socks** and in August we'll make **wheelchair bags** for veterans.

To help you contribute to this activity, we'll ask guild members to bring small pieces of Christmas fabric to the June guild meeting so we can have a great "Christmas in July" activity.

All session will be during the week, most likely 9-3. Watch for the June Newsletter to see when and where these events will occur.

## PRESIDENT'S QUILT CHALLENGE

There is still time to get in on the fun! At the June meeting we will be displaying the President's challenge entries. If you don't remember what this is all about here is a summary:

Create a quilt using a border print. Use the border print in any form: In the border, in the design, appliqué. Just use your imagination! Please include a representation of the border on the back of the quilt.

Two categories will be judged:

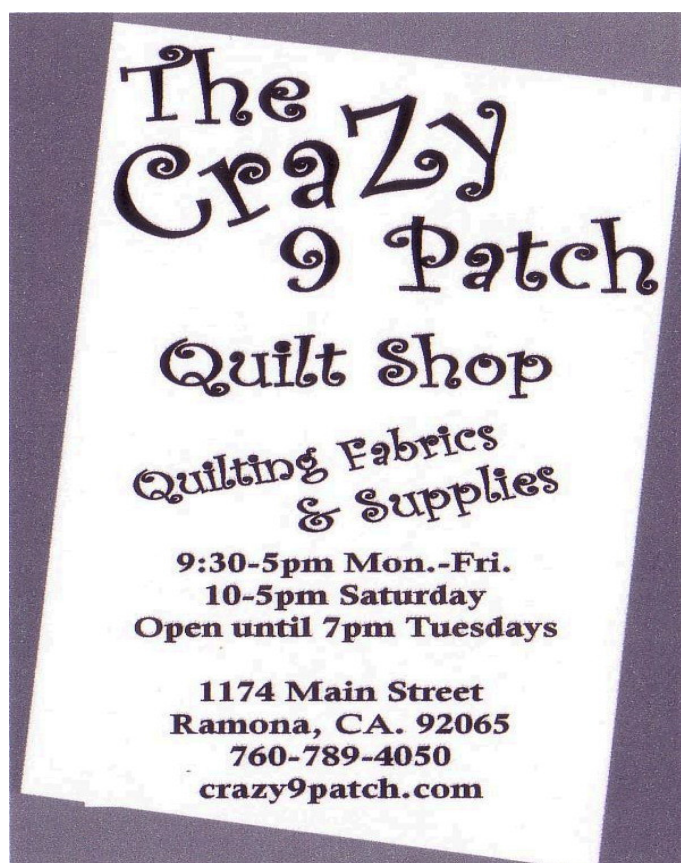

Small quilt: 48" x 48"

Large quilt: 49" x 49" up to Queen size

\$10 entry fee. Entry fee goes toward ribbons and First Place Prize.

We will display our creations at the June meeting!

If you came to the April Guild Meeting, I greeted you at the door and you received a copy of the Programs/Workshops Brochure which details all of our upcoming speakers/teachers for 2007/2008. (If you missed getting a brochure at the meeting, go to our new website at: [www.friendshipquilterssd.org](http://www.friendshipquilterssd.org) and click on the Programs/Workshops tab on the left of the screen, for all the information and a download of the brochure.)

At the May meeting, members will have the opportunity to reserve space in the workshops with a \$10 deposit each. Starting May 15th, I will open up workshop registrations to non-members and will solicit other guilds, in an attempt to fill our workshops. Since there is limited space for each workshop, get your spot reserved as soon as possible. Take time to review the brochure you received and select your favorites. Find me at the May meeting to register or if you miss the May meeting, you can e-mail me or call me for more information.

## NOMINATING COMMITTEE

There are still a few key positions open.

**President Elect:** Fill in for current President when absent and assume President's seat the following year.

**2nd VP Programs:** this is a two year position. The first year is spent contacting prospective speakers, negotiating contracts and scheduling speakers and workshops for the following year. The second year is spent advertising coming speakers and coordinating speaker's visits (lodging, transportation.)

**Advertising:** Mail inquiries to potential advertisers (local shops, etc.) over the summer. Send ad copy to the Newsletter Editor and checks to the Treasurer.

**Opportunity Quilt:** this is a two year position. The first year is spent designing and completing the quilt and the second year you coordinate ticket sales and give away the quilt.

Contact Kathy Kudrawec, Candy Dalton or Debbie Keener for more information.

## CONGRATULATIONS!

Congratulations to our many truly talented quilters with entries in the 2007 AQS Quilt Show in Paducah:

Mary Tabar: "Virtual Rose"

Susan Axelrod: "A Different Path"

Peggy Martin: "Rainbow Revolution"

...and anyone else we may have missed!  
You gals are awesome!

## NEW MEMBERS

They keep on joining, and joining, and ...

I would like to welcome Susanna Ball, Linda Card, Judy Hyatt and Christi Gullledge to the guild. Welcome ladies!

I think this is a great group you have joined and I am sure as you get to know the other members you will find they are full of ideas and information.

Once again, welcome!

Jenni Morris - New Member Hostess

## TIPS AND TRICKS

What can you do with all those cut threads that end up on the floor and all over your workspace while you're machine piecing? Here are two solutions:

1. Cut a length of wide masking tape, about 5" long. Loop it, sticky side out, and then stick it to your worktable near the machine. Each time you cut threads or small fabric scraps, such as bunny ears, stick them to the tape. You can then throw the tape into the garbage at the end of the day.
2. Use a piece of scrap fabric to begin sewing on. When you are finished piecing a chain, cut the scrap off the beginning and end by sewing onto it. That way, you will never have to have small lengths of cut thread to contend with.

If *you* have a clever trick you would like to share with the guild, please email me at [sidhe-magik@cox.net](mailto:sidhe-magik@cox.net)

Happy quilting!

## **PRESIDENT'S MESSAGE**

Many thanks to the 44 women that responded to the survey during March's meeting. The Survey only asked two questions 1) did you join the guild only for the speakers 2) what activities would you like to do. Five responded that they are only here for the speakers. The remaining 39 gave suggestions or comments.

1. Highest request was to conduct more evening or weekend workshops held by members. They see beautiful quilts being made by fellow members and would really appreciate them sharing their knowledge/ techniques/ tricks/ shortcut, etc.

*If any member is willing to have an evening or weekend workshop, please let me know. I'm currently working with a fellow member that showed a unique quilt/ technique during Sharing. As soon as I firm up a date & time an email will be sent. Hopefully, this will be the first of many mini-workshops.*

2. In the same vein as above, September demos was a hit & was the second most requested event.

*We will conduct demos during June's meeting. Please contact Candi Dalton or me if you are willing to share some technique, trick, craft, pattern, etc with us (note: it does not have to be earth shattering)*

3. Creation & attending mini-groups/friendship groups to sew and learn from fellow members.

*A sign up sheet was sent around during April's meeting. There was interest in every day of the week, both in a.m. and p.m. If any current mini-group could take on additional members, please let me know. I'll get the two parties together.*

4. Other activities include: a) round robin b) block exchange c) fabric sale with % of proceeds going to the club d) member trunk show

*If anyone would be willing to head up a) or b) above it would be great. Anyone with extra fabrics can sell (c) them during June's meeting – contact Candi or I to arrange. Since next year's program is finalized, a Truck Show (d) can held as one of the programs in 2008/2009.*

5. More "sewing" days – whether for self or philanthropy

6. Less expensive speaker workshop

7. Make members feel more welcome, member recognition

Before meeting and during breaks please talk to someone outside your circle - there are many members that do not know others. Let's start monthly bios of members interest, hobbies, etc. Would someone be willing to interview & write short bios? Please contact me. This will be another way to get to know a whole bunch of people!!

*Loretta Harry  
 FQ President*
