## September Guild Presentation and Workshops With Marti Michell

The summer break is over and it's time to get back to quilting. The guild has a great line-up of speakers and workshops this year that I know you'll enjoy. We all have different reasons for coming to the guild. Some come to be motivated and inspired. Some come to reconnect with their quilting friends and to meet new quilters. Whatever your reason, to learn something new, reinforce what you already know or just for fun, I look forward to seeing you each month.

At our meeting on September 10<sup>th</sup>, **Marti Michell** will talk on *"Short Cuts, Top Tips & Secrets"*. The lecture begins at 7:00 pm. Look through your library of quilting books and you'll surely find at least one by Marti. You undoubtedly also have patterns or tools that Marti has designed. Since 1995 she has developed and promoted acrylic tools for rotary cutting patchwork under the brand name **From Marti Michell**. Visit her website at: [www.frommarti.com](http://www.frommarti.com) for a look at her products and gallery.

There are two workshops scheduled with Marti:

Monday, Sept. 10 (Half-Day Workshop) 10am – 1pm at Amidon's, *"Machine Quilting in Sections"* - \$25.

In this lecture/demo workshop, you'll learn Marti's methods of quilting in sections. See how to quilt larger quilts with ease by reducing the amount of bulk in the sewing machine. (No sewing machine or supplies needed at this demonstration.)

Tuesday, Sept. 11 (Full Day Workshop) 10am – 4pm at

Amidon's, *"Log Cabin Two Ways"* - \$40. In this sewing workshop, you'll learn the Fat Quarter Log Cabin and "Quilt As You Sew" techniques. (See the supply list at our website:

[www.friendshipquilterssd.org](http://www.friendshipquilterssd.org).)

To enroll: Call Susan Axelrod (760-787-1649) or Kathy Kudrawec (760-788-5544).

## President's Message

Welcome back, quilters! It may seem like a challenge to get back into the routine after the luxury of summer break, but I'm looking forward to September's meeting and the year ahead, to seeing friends and sharing news and projects, to snacks and speakers and fun. I step back into the role of president with mixed emotions, hoping for an uneventful year,

with no facility, insurance or wildfire emergencies! I'll be counting on you to pitch in and make this year a success. So bring your nametags, your projects to share, your good humor and your enthusiasm. See you in September!

Debbie Keener

## 2007 Opportunity Quilt News

The winning ticket for our 2007 Opportunity Quilt, "Calypso" was drawn at our June meeting. The lucky winner is Brenda Moore, pictured here with the quilt.

Brenda is an avid quilter, a member of the Chula Vista Guild, and a past president of the San Diego Quilt Show. Her husband is also a quilter, specializing in stained glass quilts. Brenda is a civic-minded person, involved in fund-raising for the Old Globe, Meals on Wheels, and the USO. Brenda was overjoyed to receive the quilt, and we're all glad it went to such a worthy winner!

I want to thank the committee, Pat Wolfe, Lee Olson, Jean Nagy and Lorraine Marstall who helped me throughout the year. A big thank you to all the people who helped sew the blocks, volunteered to sell tickets and to white-glove so we could have a spot at the quilt shows. A special thank-you goes to Bill Nagy, who built the raffle drum so we could spin all those tickets!

Due to all of your efforts, we sold a total of 5,362 tickets, with a profit of \$3, 509.23 raised for the guild treasury. This was our major fundraiser, and helped cover a lot of expenses for the year. Thanks to all of you again for making our 2007 Opportunity Quilt such a success!

- Peggy Martin

## Philanthropy

We are looking forward to a wonderful year making many things for philanthropy after a very successful and exciting summer working on projects. In June in Ramona in we made wheel chair bags, in July at Amidon Quiltwork's we made Christmas socks for a Christmas in July event, and in August at Quilter's Paradise making placemats. We thank all who participated in these events. The wheel chair bags will go to the Veterans Hospital, the Christmas socks to St Claire's and the place mats to Meals on Wheels. We will keep you informed as we identify other places for these items.

Philanthropy needs twin bed size (54 x75" or larger) quilt tops.

At each quilt meeting Philanthropy will have a table of projects to work on at the meeting or to take home to complete. We are looking for guild members to make quilt tops, twin bed size as bed toppers for the Veteran's Hospital, Balboa Hospital and Children's Hospital. Stop by and see us.

**\*\*Mark your calendar for two Saturday Quilting work days....March 22, 2008 and May 29, 2008 at Penasquitos Lutheran Church in Rancho Penasquitos. Donated items this summer: 15 diagnostic dolls to Children's Hospital. 99 head scarves to Children's Hospital. Thanks so much.**

## Thank You

Hi everyone!

Just wanted to thank everyone and give you some update.

I want you to know how grateful I am for all your prayers and support during this difficult time. The beautiful batik prayer quilt created in 7 days by 28 wonderful women brought me to tears when presented and many, many times since then. I pray with it on my stomach every day and will treasure it forever. Visits to the hospital and home, your many phone calls and get-well cards have been so heartening. My husband, John & I were so overwhelmed and so appreciative of the delicious meals brought to our home everyone day for three weeks after surgery. All of these kind actions have contributed so much to my recovery. Once a person gets a terminal diagnosis their whole world is turned around. Support from family, friends and faith becomes a major factor in their physical and mental wellbeing. There just are not enough words to express my appreciation for everything you've done for me.

Now for some good news. With Kaiser, since the cancer has spread from my colon to the liver, I am not eligible for surgery to remove the cancer before starting

chemo. My only option was chemo and agreeing to participate in a clinical trial using two new drugs. The side-affects are horrific and I've cried so much and lost a great amount of sleep just thinking about it – but it was the only treatment option with Kaiser.

I truly believe because of all the prayers that a Dr. Hart from UCSD came into my life. After reviewing my records, he says I'm a perfect candidate for surgery followed up with standard chemo. He estimates approx. 40- 50% of the liver would be removed. However, up to 85% can be removed and survive. I anticipate surgery in 2-3 weeks with a 4-6 month recovery.

Since this nightmare started I am now so very hopeful and happy and looking toward the future. I hate to ask again, but please keep me in your prayers. Don't know when I'll be able to attend a meeting but please keep in touch. My home phone is: 858-748-4837 and email: [johnloretta@cox.net](mailto:johnloretta@cox.net)

## Tips and Tricks

What do you do with all the left over scraps from your quilt project? Throw them in a bag or drawer? Ugh! What a mess to try and sort through if you plan on using any of them.

I think it is worth the time and effort to organize them right away into squares, strips, triangles, etc., and by size. Keep them in separate Ziploc bags with the shape and size marked on the outside, and store them in a scrap box. You'll be surprised at how soon you have enough for a scrap quilt. Sometimes I also

end up with strips long enough to create binding for another quilt. All the really small or odd shaped scraps are kept in a box for appliqué.

If you have a clever trick you would like to share with the guild, please email me at

[sidhemagik@cox.net](mailto:sidhemagik@cox.net).

Happy quilting!

Deanna Padilla

Lois did all the quilting, piped binding and 4 or 5 of the 3" blocks and Susan did the rest. The quilt took a second in the category called "On The Wall". Congratulations, Susan and Lois!
