## President's Message June Meeting and Potluck

I have had a great time bringing you the guild programs, speakers, and workshops this year. Thank you to each of you for your support in attending workshops, helping with meeting set-up, holding the quilts for the speakers, and your much appreciated feedback to me. Special thanks to Kathy Kudrawec for her assistance all year with workshop sign-ups and program coordination. I couldn't have done it without you, Kathy.

Our June meeting will be held at Pomerado Elementary School and we will enjoy our "end of the year" Potluck. The President's Challenge quilts will be displayed and you will have an opportunity to vote for your favorite. This meeting will be a time to socialize before we take a couple of months off during the summer.

Remember to renew your membership in June and receive your membership card. Our "Living Treasures" must also renew simply by filling out the membership form to receive their membership card. Some quilt shops give discounts for guild members so

be sure to ask at the shops when you make your purchases.

Also, we will have a "guild appreciation night" at Quilter's Paradise in Escondido on July 14 (6pm-9pm) and your membership card is required that night. Think about bringing a friend to our guild meetings or pass the word about our guild to other quilters you meet who might like to join. Everyone is welcomed!

The Programs starting in September that have been set up by our new Programs VP, LeeMary Heath, are very exciting. Select two or three workshops that inspire you and get signed up early so you're not shut-out.

Special thanks to Debbie Keener for her help, coordination and leadership as our President. I am looking forward to picking up where Debbie left off and serving as your new President. See you soon.

Susan Axelrod - President

## Refreshments

Thank you to everyone who brought treats to share at the May meeting. I really appreciate all the good bakers in our guild.

June is our end of the year potluck. In order to have a good balance of food, I would like to suggest you bring a dish based on your last name.

A - I = appetizer or salad

J - R = main dish

S - Z = dessert

Water, soda, hot tea and coffee will be provided. Thanks and I'll see you in June.

Lou Pennock

**The June 9th Guild meeting and Potluck will be held at Pomerado Elementary School, 12321 Ninth Street, Poway. See the back of this newsletter for directions.**

## Retreats

Our next retreat is Nov. 7-9, 2008 in Temecula. I will be taking sign-ups at the June meeting. There are only 26 spots so if you want to go I recommend you come early with a \$25.00 deposit and get signed up.

Now for the bad news: The price for a triple room is \$185.00 and that is only for the person who sleeps on the roll-away bed. The other two people in the room still have to pay the full price of \$195.00. Evidently we never should have been charged the \$130.00 price. The price of a private room is still \$265.00.

Also, I have been telling everyone that we will get two

meals on Friday as compensation for changing the dates of our retreat but that is also incorrect. Dinner only will be provided that day. Evidently, the retreat center has been losing a lot of money recently because their new retreat coordinator is inexperienced and doesn't realize that there has to be at least as much money coming in as going out. This all came as a big surprise to me this morning as I talked to Pat Garcia (the long time retreat coordinator). I hope this doesn't prevent anyone from coming to the retreat. Hope to see you early at the June meeting.

The winners were:

Notecards and notepad: Bev Fraser

Charm squares: Carolyn Wright

I don't believe I'll be doing a drawing in June, so I'd like to take this "Opportunity" to thank everybody who bought a ticket this guild-year, to congratulate the winners, and say "Let's do it again next year".

## Tips and Tricks

Spring is almost over, and we're heading toward summer. Things are heating up. Here are a few tips for staying cool, calm, and collected while you quilt over the summer months.

Before you sit down to quilt, if you don't have air conditioning (I don't), make sure you set your machine up in an area where you have a cool, cross breeze. I open the front door and the back sliding door and sit at the kitchen table where the air blows right through, plus there's a ceiling fan there, also.

Wear cool, comfortable clothes that allow you to move freely, maybe even wrap a sarong around you, kick your shoes off, and get your hair up off the nape of your neck.

Keep hydrated: just as you would when you work out, you should have a bottle of cold water alongside you so you can take a sip every so often. Don't drink soda, it will actually make you thirstier. Remember, too, that often when we think we're hungry, we're actually thirsty.

Here's my last tip, if you're not going to have a get away vacation this year – buy yourself one of those relaxation CD's with the sound of ocean waves in the background. If you stop and close your eyes every so often between quilt blocks, you can imagine you're quilting by the sea in a beach bungalow, the waves crashing on the shore just outside your window. Well, it's worth a try.

Happy quilting. Deanna Padilla

## Quilt Auction Coming October 11, 2008

The quilt auction will be held October 11, 2008 at the Poway Community Center Auditorium on Civic Center Drive. Preview will begin at 10 AM, the auction starting at 11 AM expecting to be out of there by 2PM. Our auctioneer will be Mike Rupley from Central Sewing.

To date I have a small committee helping, but in the next couple of months I will be needing volunteers for things like actual set up and break down of the auction, cashiering, and quilt modeling during the auction.

To date we have 7 completed quilts, 1 completed wall hanging, 1 holiday pillow and 1 table runner. In addition we have 13 completed quilts pledged. I have received 17 quilt tops to be quilted – many that need backing fabric (seven have been taken by volunteers to be quilted leaving 10 plus an additional 8 quilt tops that will need finishing when those who have pledged them get them to me. Then of course there is binding and labeling that needs to be done. Right now if we can complete what is pledged we will have 48 quilts/wall hangings. I would like to see at least 60 to make this auction a real success.

Now that you know what work we have cut out for us, you can expect a phone call in the near future asking for your help with completing these quilts. If your time is not available, we are always in need of donations of fabric to back and bind some of these quilt tops. Thank you for all you do!!

Candice Dalton

## Quilt Donations from Arizona Quilt Guilds

A guest from Arizona Quilt Guilds, Donna Oldenburg visited our guild this month to present 30 quilts of various shapes, sizes and themes, donated from Arizona Quilt Guilds to benefit San Diego County residents whose homes were destroyed in the October 2007 wildfires.

We are in awe of their generosity and grateful for it! Several quilts are already earmarked by guild members for people in our community. If you know of someone who lost their home due to the October wildfires and would like to present them with one or more of these quilts, please contact Debbie Keener at 619-561-9243 or [keener80@cox.net](mailto:keener80@cox.net).

## 2008-2009 Workshops

Workshops are filling up. Only \$10.00 to hold your spot. Sign up early. Guests are welcome for workshop fee plus \$5.00. For information regarding speakers or workshops, please contact: Lee-Mary Heath, 760-440-9238, [heathshlm@cox.net](mailto:heathshlm@cox.net).

## Block of the Month

We've had such a good time doing Block of the Month this year, and would really like to encourage everyone to keep it going next year. Diana Lott is going to be running it next year, and she's going to have a sign-up sheet at the June meeting for those of you who didn't get the chance to prepare blocks this year. It really is fun to participate in, so please -- let's fill up that sheet!

Here's what you get to do when you do sign up: You get to pick out which block you would like the group to do, and the fabric it will be made out of. You will cut 40 blocks from the fabric that you've chosen and will put it, along with the directions and drawing name tag, in baggies that are provided for you. Each person will get two blocks for \$2.00 (so there will be 20 sets that are sold). They will bring them back finished the next month, and you will get 20 back while the other 20 will be given to one of the participants after their name is drawn. Wha-la! Instant quilt for both of you! What a great deal! It really is fun and the members really enjoy it! So hurry over to the Block of the Month table at the June meeting and get your name on the list before there aren't any spaces left! We're looking forward to seeing you then.

Kim Szewczynski and Dawnell Muecke

## Swan Song

I plan to enjoy my retirement from public life, but I'll still have my hand in things a bit. I'm looking forward to helping out with the Auction and plan to continue in my role as Newsletter Editor. And I look forward to seeing all of you at the meetings and such.

Remember that we'll be doing Viewers' Choice for the President's Challenge quilts at the June meeting. Please call me at 619-561-9243 or send an email to [keener80@cox.net](mailto:keener80@cox.net) to coordinate drop off / pick up of your quilt before the June meeting.

Also remember that the June board meeting is a potluck and that both the outgoing and incoming board should attend. This is an opportunity for outgoing board members to transition any supplies / documentation and for incoming board members to ask any questions they might have about their new role.

Thank you members for your support over the past year. It has been my pleasure to serve as your interim President in Loretta Harry's absence.

Debbie Keener
