Friendship Quilters Is Proud to Present

Marjan Kleupfel
Evolution of an Art Quilter

November 13, 2023

Incarnation Lutheran Church
16889 Espola Road
Poway CA 92064

Doors Open at 6:00 p.m.

Meeting Starts at 6:30 p.m.

Friendship is delighted to welcome our November Speaker Marjan Kleupfel, an artist who uses fabric and thread as her medium instead of paper and paint, and a sewing machine instead of a brush.

Marjan will speak to us about how the texture of the fabric is an important design element in her work and how she incorporates many different surface design techniques, such as iridescent Angelina fibers, fabric dyeing, painting, printing, pleating, machine quilting, and embroidery in her work.

After growing up in the Netherlands and living in Florida, Hawaii, South Carolina and Australia, she draws inspiration for her art from all of these places, both on land and under water.

Marjan will also be holding a workshop on Tuesday, November 14, at 10:00 a.m., where you can create one of two beautiful dragonfly wall quilts and learn how to add sparkle with iridescent Angelina fibers, foiling and machine embroidery threads.

This is a fast and fun technique suitable for new and experienced quilters. Learn about the many exciting ways you can utilize Angelina fibers.

A kit with several colors of Angelina fiber is available for \$5 and the pattern is \$10. Please contact Karen Schwartz if you would like to attend or have any questions. Space is limited!

President's Message

Laura Martin—President

Hello Everyone! I hope you all had a wonderful October. I always enjoy October when we get a hint of the cooler temperatures to come and the cozy time at home. However, October always seems to be a very busy month as well. The guild definitely had a busy month with the Retreat and our New Members Brunch. I want to thank the many people who put in many hours of work to make these events so wonderful.

It seemed as if everyone really enjoyed our Demos & Desserts night. You were all so kind about my awful job cutting fabric while demonstrating cutters. Talk about Murphy's Law.

As you get this newsletter I will be off to The Houston International Quilt Festival. It is my first time attending! I am looking forward to the trip, my classes, seeing beautiful quilts, vendors, and meeting up with friends who have moved away.

November is a time of reflection and gratitude. Please take time to enjoy the season and look back at all the wonderful blessings that we have in life. I must say that one of the best things in my life is that I found quilting and the wonderful community that goes along with it! I can truly say that I am so grateful to know each and every one of you!

Retreats

Colleen McCune—Quilt Retreat Chairperson

I simply don't know where to begin. We had such a wonderful time at Vina de Lestonnac at our October Retreat. From our surprise guests who rocked the room to the tune of "Monster Mash" (see picture below) and all of our retreaters who brought exciting projects to work on, it was a retreat for the record books! It is always amazing to watch everyone as we gather for our retreats. From the novice quilters to the extremely advanced, everyone shares their knowledge and ideas, lifts one another up, and we all depart with new friends and joy in our hearts!

I would be remiss if I did not extend my heartfelt thanks to our retreat team: Marianne Tucker, Ninette Turner, and Crystal Simpson, who work hard throughout the year to create a fantastic experience. From the prizes, decorations, planning and orchestration of events, each are pivotal to the success of these amazing retreats!

Please check out many of our retreat memories contained in pages 5-7 of the newsletter!

Opportunity of the Month

Hope Campbell—Opportunity of the Month Chairperson

Many of you generously participated in the Opportunity of the Month. Your participation helps the guild. The winners of the three baskets were Linda 4 (yes, that's the name on the ticket), Cheryl Neuharth, Lynn Olsen, and then Michelle Cassidy won the small basket.

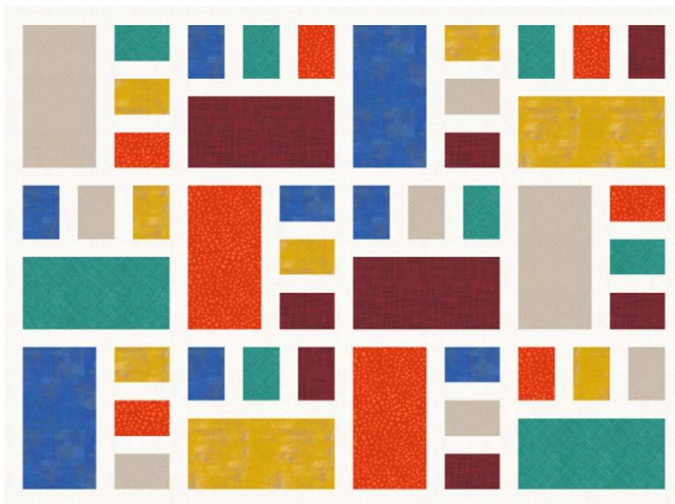

In November there will be more fall color and winter themes!

Philanthropy

No Sit & Sews in November are Scheduled

Sue Mezera—Philanthropy

It was weird not having any Sit and Sews in October and there are **NO SIT & SEWS in NOVEMBER** scheduled. I will have a table for sign-out and check-in of quilts, placemats, and pillow cases at our November meeting.

Looking forward to working with you!

Sue

Programs' Survey Results

Karla Seyb-Stockton — Programs 2024-2025 Chair

Thanks to everyone who completed a Programs Survey at the October meeting! It is clear that we have a group with varied interests! I had 26 possible topics for people to indicate their interests. Guess what! Every single one of them got at least two votes! On the plus side, whatever speakers we get, someone will be thrilled. On the down side, it will take us several years to get through 26 topics! What does that mean? Renew your membership every year so you can get in on this great variety of speakers!

There is a great deal of interest in the processes of quilting: free motion, walking foot, domestic machine and long arm. (I didn't even ask about hand quilting.) In addition, there is a lot of interest in learning to work with curves, improving our precision in piecing, organizing our sewing rooms and more. What topics will I come up with? It all depends on the availability and affordability of the teachers. If you have a favorite teacher or you know of someone who teaches a technique you would like to learn, get me their contact information and I will see what I can do. You can reach me at (858) 883-8038.

Happy quilting!

Just Get it Done!

Swaps

Nancy Kuelbs—Swaps Chairperson

Thank you to all who joined the pincushion swap for October. We had twelve pincushions and they were all so creative. I did not get pictures of each pincushion – for those who received one, if you would like to send a picture of your new pincushion, please send it to me at my email address on the member roster. I will share them in an upcoming newsletter.

To celebrate Autumn, for our November meeting we will exchange pumpkins: stuffed fabric pumpkins, wool pumpkin banners, foundation paper-pieced pumpkin mug rug or small pillow, or a pumpkin block wall hanging. Nothing too big – blocks, banners, or pillows no bigger than 10 – 12 inches. Have fun with your pumpkin's colors: black and white, blue floral, purple batik, and of course, all shades of orange! Looking for inspiration--Pinterest has some great ideas!

I will also have a sign-up sheet for a loot bag exchange for our January meeting. This will be a partner-paired exchange. For this swap, each participant will sew a zippered pouch (dimensions approximately 7-8" tall, by 10-11" wide by 2" deep, and be given the name of another Guild member to sew for. After the pouch is sewn, please fill it with a favorite quilting tool, a scrap of a favorite fabric or two, and a quilting tip or two that you have found helpful in your quilting journey. There are websites that have free patterns for making zippered pouches, so no pattern needs to be purchased to take part in the exchange.

If you have any ideas for future swaps, I would love to hear them.

Library

Nancy Kuelbs—Library Chairperson

As announced at our October meeting, we will discontinue the Guild's library at the end of this guild year. Beginning with the November meeting, I will bring books for members to browse through and take home any books you would like to add to your personal quilt library. The books that remain will be thoughtfully donated. There is no cost for the books, but we will have a donation jar at the Library table for any donations you would like to make. These will be for the benefit of the Guild. If you have any books currently checked out, it is your choice whether to keep them or return them.

Take care, Nancy

Friendship's Classified Ads

Just when you thought you couldn't find any more information in the newsletter, we are offering yet another opportunity. Please be sure to look at the last pages of the newsletter because that is where you will find the ads!

Beginning this month, the last pages of the newsletter are devoted to CLASSIFIED ADS for your sewing items. This is available to our members who have items they are looking to sell or rehome. As a member of Friendship Quilters of San Diego, this is the perfect place for you to list items you have decided to part with. **The best news is that as a member, your listing is FREE!**

The deadline to submit an ad is the 15th of each month. If I receive your information by that time, it will be included in the following month's newsletter. This is a great way to reach your fellow quilters and find a good and loving home for the items you have decided to part with.

Please send your listings by the 15th of the month to colleen.sandiego@gmail.com and your ad will be placed in the following month's newsletter.

Our October Demos and Desserts meeting was a hit. Sue Busch demonstrated how to make a quilt sandwich with pool noodles. Laura Martin showed us how to use Martelli Templates and Sue Mezera demonstrated raw edge appliqué. We had some delicious desserts beautifully presented by Tina Broadway.
